# **PRESS RELEASE**

---

The Edwardsville Police Department is aware of the legal document filed in Wyandotte County District Court challenging the conviction of Lamonte McIntyer and the allegations levied against then KCK Detective Roger Golubski. Mr. Golubski joined the Edwardsville Police Department in late 2010 after serving over 30 years with the Kansas City Kansas Police Department.

Per the City of Edwardsville Police Department policy, police department employees are not authorized to comment regarding any law enforcement incidents which did not occur within our jurisdiction. Please direct your inquiries to the Kansas City Kansas Police Department or the Wyandotte County District Attorney's Office, as they are the authority having jurisdiction over this matter.

We recognize the serious nature of these allegations, should they be true. Thus, we want to reassure Edwardsville citizens of our unwavering dedication to protecting the rights of all people and believe all people deserve impartial and effective service from our members. Moreover, we are committed to obedience of the law and demonstrating respect for the human dignity of all people in everything we do. To that end, should circumstances necessitate, the Edwardsville Police Department will take appropriate action to ensure the community's trust in our organization remains steadfast.
